

A purple fish-shaped sticker with a white outline, facing right. It has a large black eye with a white pupil. The equation  $1+5$  is written in white on its body.
$$1+5$$

A purple fish-shaped sticker with a white outline, facing left. It has a large black eye with a white pupil. The equation  $5+1$  is written in white on its body.
$$5+1$$

A purple fish-shaped sticker with a white outline, facing right. It has a large black eye with a white pupil. The equation  $2+4$  is written in white on its body.
$$2+4$$

A purple fish-shaped sticker with a white outline, facing left. It has a large black eye with a white pupil. The equation  $4+2$  is written in white on its body.
$$4+2$$

$2+5$

A purple fish-shaped sticker with a white outline, facing right. It has a large black eye with a white pupil. The equation  $2+5$  is written in white on its body.

$5+2$

A purple fish-shaped sticker with a white outline, facing left. It has a large black eye with a white pupil. The equation  $5+2$  is written in white on its body.

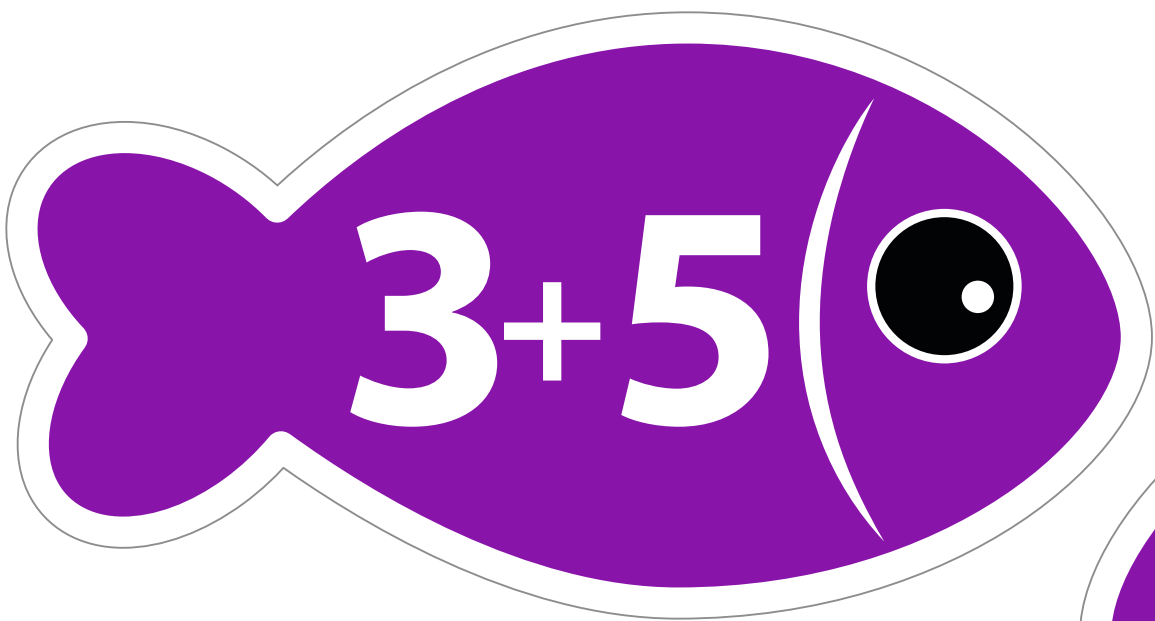

$3+4$

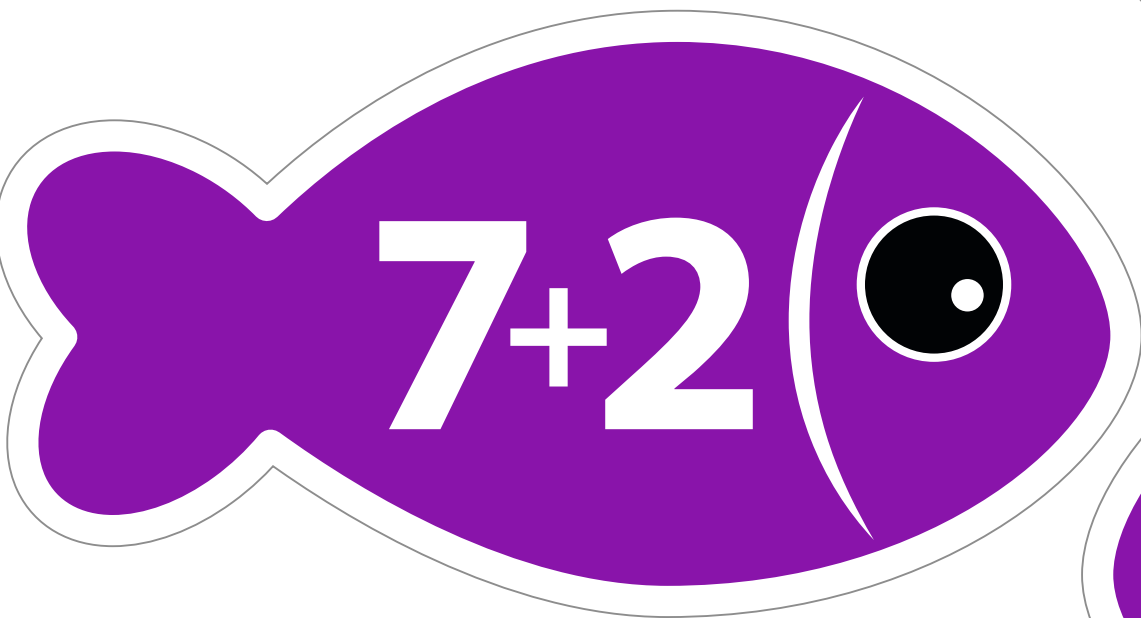

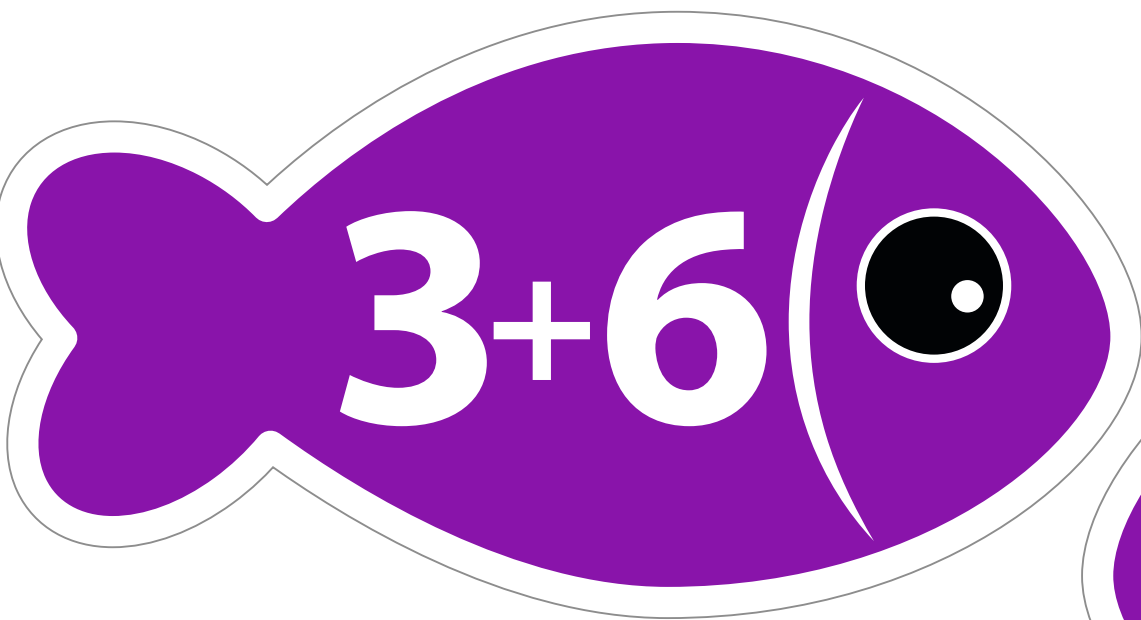

A purple fish-shaped sticker with a white outline, facing right. It has a large black eye with a white pupil. The equation  $3+4$  is written in white on its body.

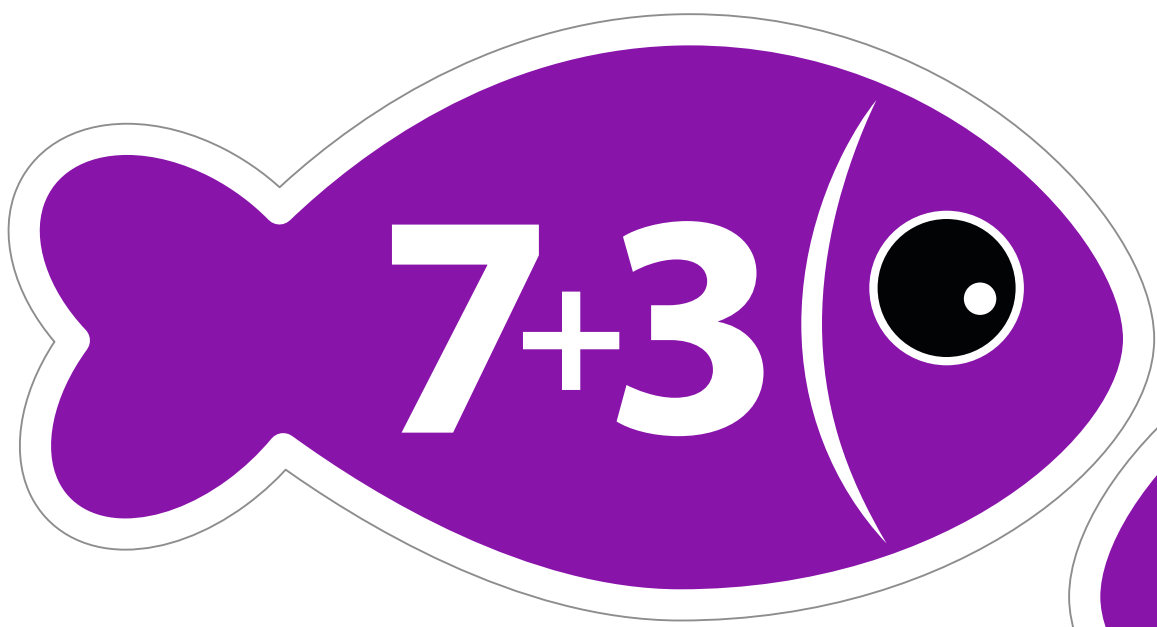

$4+3$

A purple fish-shaped sticker with a white outline, facing left. It has a large black eye with a white pupil. The equation  $4+3$  is written in white on its body.

A purple fish-shaped sticker with a white outline, facing right. It has a large black eye with a white pupil. The equation  $1+4$  is written in white in the center of the fish's body.

$1+4$

A purple fish-shaped sticker with a white outline, facing left. It has a large black eye with a white pupil. The equation  $4+1$  is written in white in the center of the fish's body.

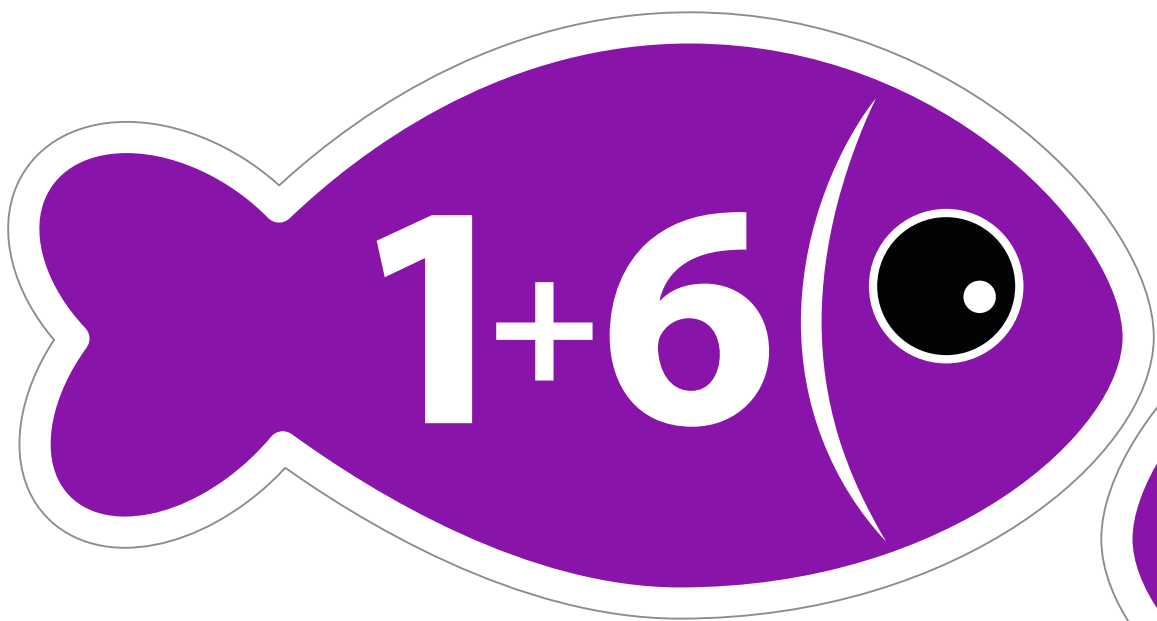

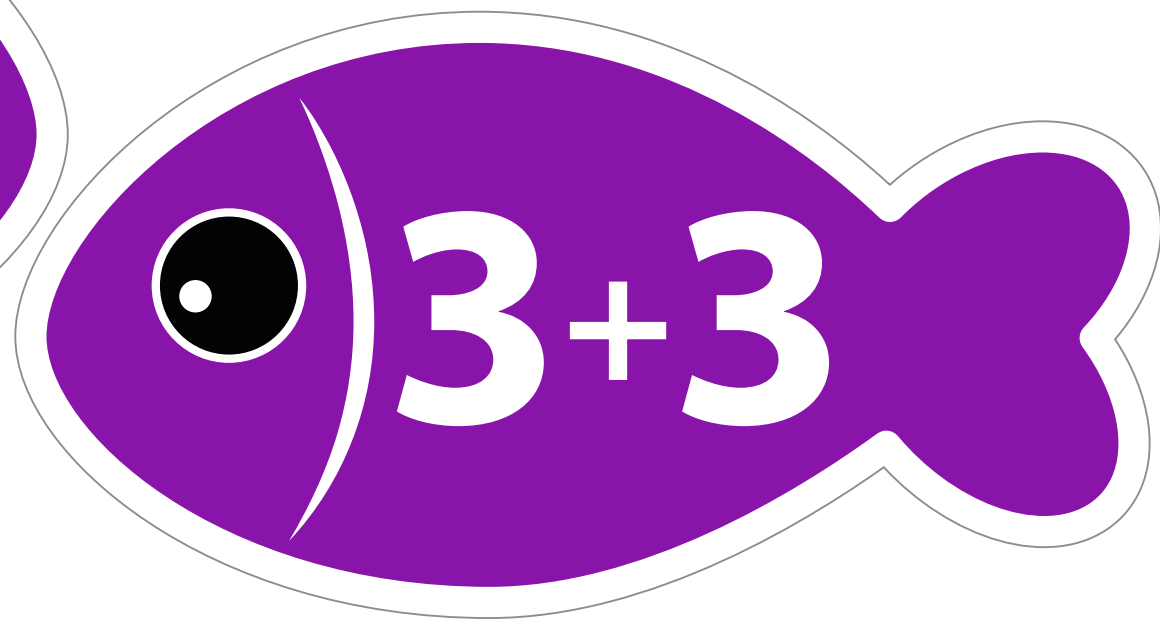

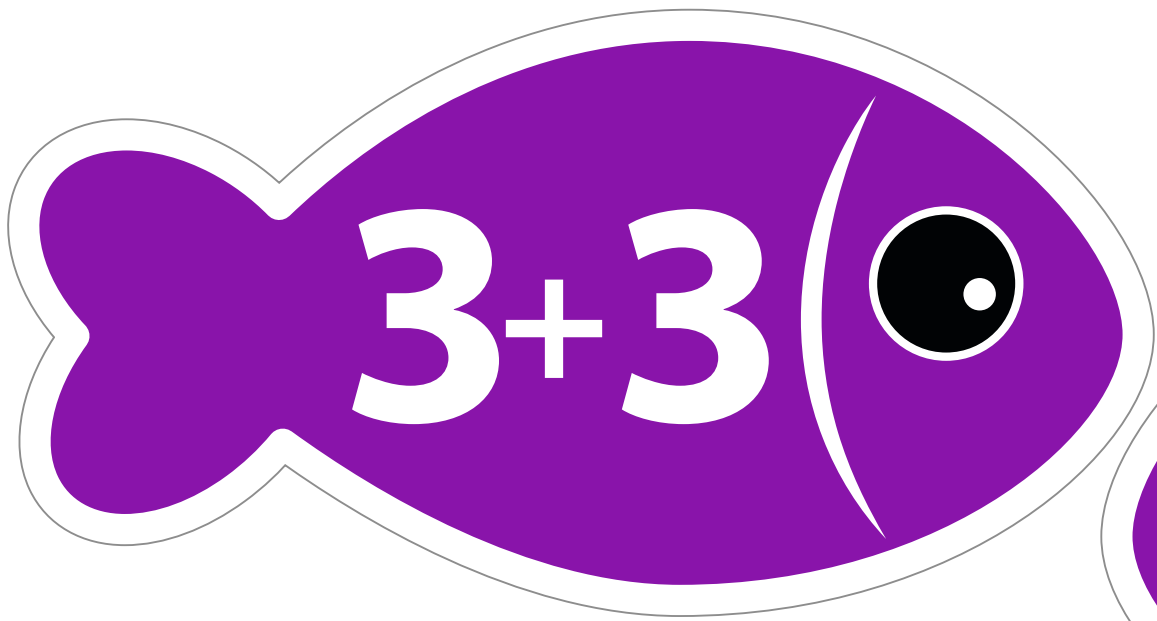

$4+1$

A purple fish-shaped sticker with a white outline, facing right. It has a large black eye with a white pupil. The equation  $2+3$  is written in white in the center of the fish's body.

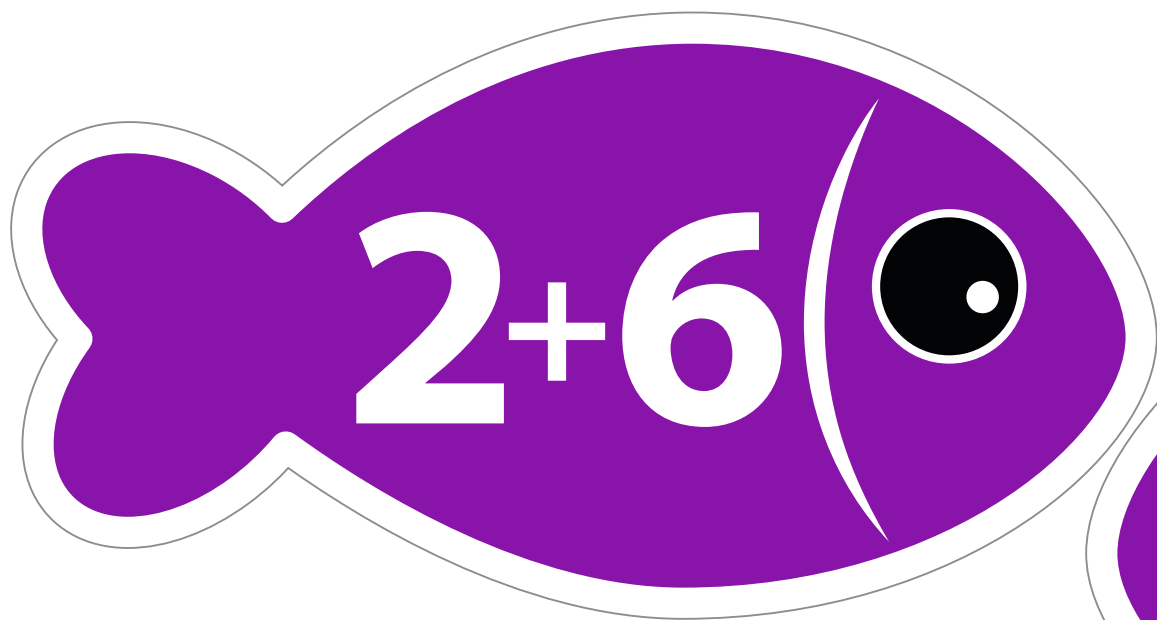

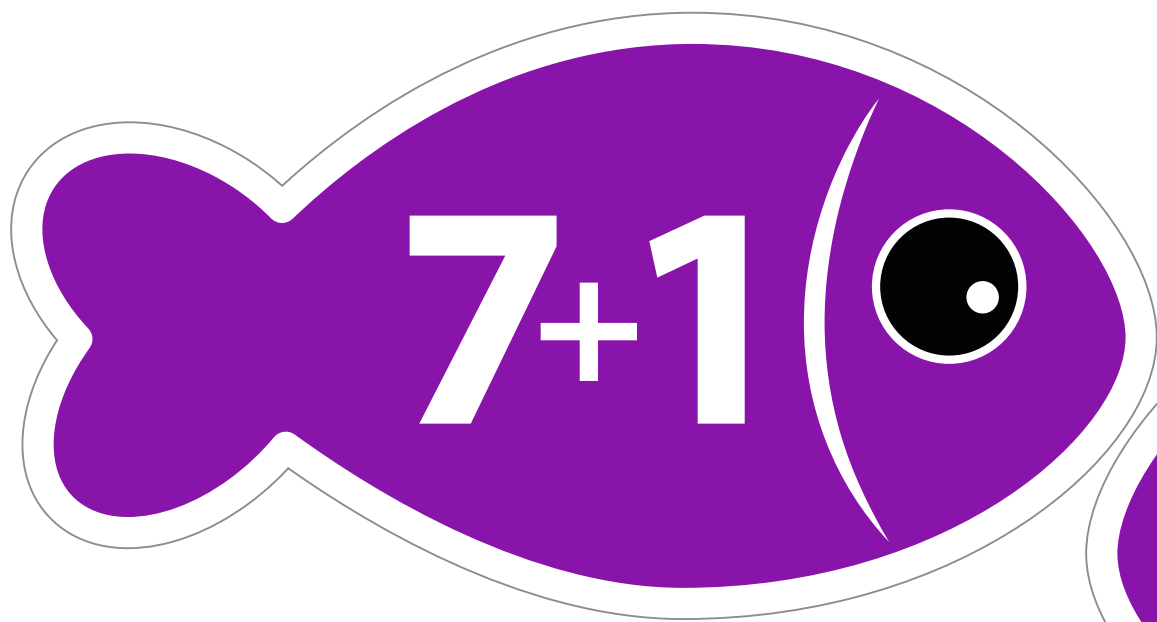

$2+3$

A purple fish-shaped sticker with a white outline, facing left. It has a large black eye with a white pupil. The equation  $3+2$  is written in white in the center of the fish's body.

$3+2$

A purple fish-shaped sticker with a white outline, facing right. It has a large black eye with a white pupil. The equation  $5+4$  is written in white in the center of the fish's body.
$$5+4$$

A purple fish-shaped sticker with a white outline, facing left. It has a large black eye with a white pupil. The equation  $4+5$  is written in white in the center of the fish's body.
$$4+5$$

A purple fish-shaped sticker with a white outline, facing right. It has a large black eye with a white pupil. The equation  $8+1$  is written in white in the center of the fish's body.
$$8+1$$

A purple fish-shaped sticker with a white outline, facing left. It has a large black eye with a white pupil. The equation  $1+8$  is written in white in the center of the fish's body.
$$1+8$$

$1+9$

A purple fish-shaped sticker with a white outline, a black eye with a white pupil, and a white curved line for a mouth. The equation  $1+9$  is written in white in the center.

$9+1$

A purple fish-shaped sticker with a white outline, a black eye with a white pupil, and a white curved line for a mouth. The equation  $9+1$  is written in white in the center.

$8+2$

A purple fish-shaped sticker with a white outline, a black eye with a white pupil, and a white curved line for a mouth. The equation  $8+2$  is written in white in the center.

$2+8$

A purple fish-shaped sticker with a white outline, a black eye with a white pupil, and a white curved line for a mouth. The equation  $2+8$  is written in white in the center.

A purple fish-shaped sticker with a white outline, facing right. It has a large black eye with a white pupil and a white curved line for a mouth. The equation  $5+5$  is written in white on its body.
$$5+5$$

A purple fish-shaped sticker with a white outline, facing left. It has a large black eye with a white pupil and a white curved line for a mouth. The equation  $5+5$  is written in white on its body.
$$5+5$$

A purple fish-shaped sticker with a white outline, facing right. It has a large black eye with a white pupil and a white curved line for a mouth. The number 1 is written in white on its body.
$$1$$
A purple fish-shaped sticker with a white outline, facing left. It has a large black eye with a white pupil and a white curved line for a mouth. The number 1 is written in white on its body.
